

The right carts for... today, tomorrow, and the future!

HOWARD™ MEDICAL

Lithium Power System Retrofit Kit Power System and Battery Upgrade

What you can expect

Howard Medical carts are manufactured in compliance with the highest industry standards for extreme durability and maximum reliability. Each cart is inspected and tested individually to ensure the superior performance required by healthcare professionals.

The high-quality construction of your new cart, backed by Howard Medical's top-rated, comprehensive warranty and world-class support team, gives you every reason to expect optimal cart performance now, and for many years to come.

The COMPLETE RETROFIT KIT WARRANTY STATEMENT is available on the product resource disc or may be obtained by contacting Howard Medical support at 888.323.3151.

Ref# 07SRV10-146C-00

What is covered

Howard Medical, a division of Howard Industries, Inc., warrants its Lithium Power System Retrofit Kits to be free of defects in material and workmanship for the period outlined below. The PowerMax150 power module is warranted for a period of 3-years from the Retrofit Kit ship date. Lithium Batteries purchased as part of a Lithium Power System Retrofit Kit are warranted for a period of 2-years from Retrofit Kit ship date against defects in material and workmanship and 1 year for performance.

NOTE:

1. To activate the Retrofit Kit Limited Warranty, the Retrofit Kit must be registered with the cart on which it is installed. The registration form may be obtained by contacting Howard Medical Customer Support.
2. Retrofit Kits are intended for use on Medical Carts only.
3. Computers and computer peripherals are not included under this warranty.
4. The Howard Medical Warranty does not cover damage, defects, or operational malfunction of the product due to or caused by abuse, accident, misuse, negligence, physical damage, Act of God, failure to follow proper instructions and guidelines, unauthorized service or repair, damage from electrical power problems, shipping damage, failure to perform preventive maintenance, damage from computer and computer peripherals, and product modification.
5. Howard Medical Technical Support may request the customer to provide reasonable assistance during diagnosis.
6. Howard Medical Technical Support will provide a return shipping label for purposes of returning the faulty part.
7. Some Retrofit Kits must be installed by a Howard Certified Technician. Refer to complete warranty statement.

Warranty Process

If during the warranty period the Howard Medical product proves to be defective under normal use, Howard Medical will work with the customer to resolve the issue utilizing our Customer Satisfaction Experience as outlined below:

- A. Phone support (888-323-3151) 24/7 (excluding holidays)
- US Based, English speaking
 - Tiered phone support escalated to engineering

If Engineering cannot resolve the perceived issue, Howard Medical will, at its sole discretion, resolve the issue with one or a combination of the following actions:

- B. Replacement Part
- Expedited Shipments
 - OEM Parts
- C. On-site support provided by Howard Technical Specialists
